

Dear Parents/Guardians,

As our world becomes increasingly interconnected, it is critical for our students to become more culturally aware and globally-minded. To be able to experience the global classroom first-hand and see what they have been studying in their classes come to life is life-changing and gives them new perspectives not only of themselves but also the world around them.

I'm pleased to announce that we are planning to take students on an educational tour to **South Africa** travelling from **March 19th-31st, 2018** with EF Educational Tours.

On the **13 day Discover South Africa** tour, we will visit and learn about the culture and famous landmarks of **South Africa**. *Some of the incredible highlights of this tour include:*

- Apartheid Museum
- Kruger National Park
- South Africa Museum

- Robben Island

We have chosen to travel with EF Tours because of their reputation as the world leader in educational travel. EF have been in business for over 50 years, and guarantee the lowest price for high quality tours that are fun, educational and safe.

The trip cost is **\$5,680** based on a minimum of 15 travelers, with the option of adding on the Global Travel Protection Plan Coverage for \$189, and will include:
