Bus Fee Update

Due to anticipated government funding, the SD62 Board of Education has decided that bus fees for all SD62 school bus riders *will not be charged* for the 2017/2018 school year.

Since bussing is “free” can my child just take the bus?

No. ALL riders must be *registered* for the school bus in the SD62 School Cash Online program.

Any student not on a driver list or without a pass may not be let on the bus.

Bus Passes

Bus Passes are issued near the beginning of each school year. All fully paid middle and secondary students will receive a pass and must carry it as proof of ridership. Drivers will check for passes. **Students without passes may be refused.**

Permanent bus passes that are misplaced will cost \$10 to replace. Please contact the Transportation Department to replace a bus pass.

Elementary and Kindergarten students do not receive passes. Schools will have a list of registered students and they will be checked off as they board the bus. **NOTE:** Students in grades K-3 will not be let off the bus unless met by an adult or older sibling.
