

Dunsmuir Middle School
GRADE 8 SUPPLY LIST 2023-2024

This is a basic list of supplies your child will need. Once your child is assigned a class, there may be additional supplies, which the individual teacher may request. Your child will likely already have some of the items on this list from last year in good condition. **We therefore ask that you purchase only those items needed.** From time to time you will be asked to replenish supplies used up during the year.
