## How Families Can Support This Week

Earth Month is a great time to celebrate active ways of getting to school. We love seeing students walk, bike, or scoot as these choices support both personal well-being and a healthier planet. As electric scooters and e-bikes become more common, we ask families to help students follow B.C. safety rules: electric kick scooters and e-bikes have age restrictions and aren't permitted on sidewalks or school grounds. Thank you for partnering with us to support eco-friendly travel while keeping safety and respect for others front and center.

**Thank you for your continued support and partnership.**
